

Erasmus+

Intercultural, IT and inclusive adult education Course

Day 1:

- 9:00 - 10:00 AM: The Role of IT in Modern Adult Education
 - Interactive lecture on how technology shapes adult education today, especially in intercultural and inclusive settings.
- 10:00 - 10:30 AM: Coffee/Tea Break
- 10:30 AM - 12:00 PM: Basics of IT Tools for Education
 - Workshop on key IT tools (e.g., learning management systems (LMS), Google Classroom, Microsoft Teams).
- 12:00 - 1:00 PM: IT for Inclusive Education
 - Introduction to digital tools that support accessibility (e.g., screen readers, voice-to-text software, visual aids).
 - Learn to create accessible content for students with disabilities.
- 1:00 - 2:00 PM: Lunch Break
- 2:00 - 3:30 PM: Challenges and Opportunities in Implementing IT for Intercultural and Inclusive Adult Education
 - Interactive discussion on integrating IT tools in culturally diverse classrooms, addressing accessibility needs, and fostering inclusivity.

Day 2:

- 9:00 - 10:30 AM: Assistive Technology for Inclusive Learning
 - Workshop on assistive technologies that promote inclusive learning, including mobile apps and software.
- 10:30 - 11:00 AM: Coffee/Tea Break
- 11:00 AM - 12:00 PM: Intercultural Competence and Digital Literacy

Erasmus+

- Lecture on the intersection of intercultural communication and IT skills in adult education.
- 12:00 - 1:00 PM: Digital Collaboration Tools for Multicultural Learning Environments
 - Workshop on collaborative tools (e.g., Slack, Zoom, Miro, Canva, Beecut, CapCut) for group work across cultures.
- 1:00 - 2:00 PM: Lunch Break
- 2:00 - 3:30 PM: Fostering Intercultural Communication and Collaboration through IT Tools
 - Group discussion on the challenges and opportunities when using IT tools with adult learners in diverse cultural contexts.

Day 3:

- 9:00 - 10:00 AM: Creating Inclusive Digital Content
 - Workshop on creating digital learning materials (presentations, videos, quizzes) that are inclusive and culturally sensitive.
- 10:00 - 10:30 AM: Coffee/Tea Break
- 10:30 AM - 12:00 PM : Project-Based Learning Using IT in Inclusive and Intercultural Settings, Using Open Educational Resources (OER) for Intercultural Education
 - Introduction to finding and using OER (open-access digital resources) to support diverse cultural learning experiences. Participants work on group projects to integrate IT skills, intercultural understanding, and inclusivity into their teaching.
 -
- 12:00 - 1:00 PM Visit to the Musical School of Paphos
 - Discussion with Ms Eleni Dimitriou Director of the Musical School of Paphos about their program and operations
- 1:00 - 2:00 PM: Lunch Break
- 2:00 - 3:30 PM: Designing and Implementing Inclusive and Culturally Relevant Digital Content
 - Group discussion on creating and adapting digital materials that are accessible and relevant for all learners, including the use of OER.

Day 4:

- 9:00 - 10:30 AM: Group Project Work
 - Participants continue working on group projects to integrate IT skills, intercultural understanding, and inclusivity into their teaching.

Erasmus+

- 10:30 - 11:00 AM: Coffee/Tea Break
- 11:00 AM - 1:00 PM: Group Presentations
 - Present and receive feedback on the projects created.
- 1:00 - 2:00 PM: Lunch Break
- 2:00 - 3:30 PM: Integrating IT, Intercultural Competence, and Inclusivity into Daily Teaching Practices
 - Group discussion on planning and implementing strategies for integrating IT, intercultural competence, and inclusivity into daily teaching practices working with adult learners.

Day 5:

- 9:00 - 10:00 AM: Wrap-up
 - Course evaluation and feedback.
- 10:00 - 10:30 AM: Coffee/Tea Break
- 10:30 AM - 1:00 PM: Future Trends and Challenges in Intercultural IT and Inclusive Adult Education
 - Open discussion on emerging technologies, evolving pedagogical approaches, and potential challenges in the field.
- 1:00 - 2:00 PM: Lunch Break
- 2:00 PM: Course Conclusion and Farewell

Key Outcomes for Participants:

- IT Proficiency: Ability to use digital tools and platforms for teaching in inclusive and culturally diverse environments.
- Inclusive Digital Content: Skills to create and adapt digital materials that are accessible and relevant for adult learners.
- Intercultural Competence: Enhanced understanding of how to manage and teach culturally diverse groups using IT.
